## ***13th Annual Carova Beach Cleanup is ON!***

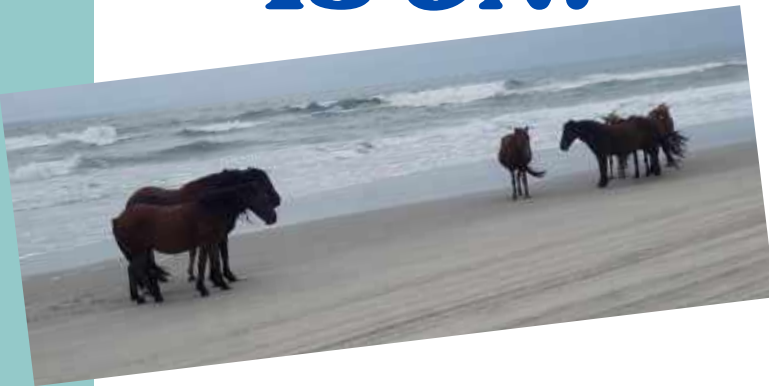

On behalf of Tidewater Broncos, we hope all are doing well during this historic pandemic! Tidewater Broncos, a group of Ford Bronco enthusiasts based out of the seven cities of Hampton Roads, will be hosting the 13th Annual Carova Beach Cleanup on Saturday, October 3, 2020.

Traditionally, approximately 125 volunteers from up and down the East Coast gather to clean the beaches in Carova, NC. Carova Beach is not just an ordinary beach - it is a beach that wild horses roam all year long, having been their home for hundreds of years. We clean up litter and debris that has either been left behind or washed up on shore. It is a necessity to remove these items from the beach to ensure the wild horses are not harmed or injured. In the past, we have collected a lot of balloons, washed up boats, vehicle parts, lawn chairs and so much more.

Meet up is 9 A.M. at Mile Post 22 on Corova Beach. From there, we will spread out and clean up the beach and back roads of Corova. At noon, we will all gather back at Mile Post 22 for raffle prizes and lunch. In the past, we have had lunch on the Beach provided by the VA4WDA. Unfortunately, we are unable to serve the volunteers this year due to NC State Regulations regarding COVID-19. We are in the process of coming up with an alternative plan for lunch. Bring what you like to drink and be ready to have a good time while making a huge difference in our community!

Also, we are still accepting donations for the raffle. If you or someone you know would like to donate raffle prizes, please contact Mark or Stevie Mormando at 757-633-8013 or via email [bronco.1995va@gmail.com](mailto:bronco.1995va@gmail.com). We cannot wait to see everyone SOON! Stay Safe!

# PRESIDENT'S LETTER

VA4WDA Members,

In late summer, the Virginia Four Wheel Drive Association Board of Directors assessed the current situation with the Commonwealth of Virginia and the regulations imposed due to the COVID19 Virus.

After considering all available data, assessing the risks and logistics, and deciding that the health and well-being of our Membership and Participants as most important, it was determined that the September 2020 VA4WDA Trail Ride had to be cancelled. It saddens us that we had to cancel the event, but we are looking out for VA4WDA and its membership.

We have been fortunate to have this event for 27 straight years! We greatly appreciate all who attend year after year to support VA4WDA. We also want to thank those Business Members, Businesses, Sponsors, and Association Member Clubs that support us year after year.

We have secured September 17-18, 2021 with Oak Ridge Estate for next year's event. We are looking forward to having everyone back for a fun weekend. Make sure to put this date on your calendar!

If you hold a Gift Certificate for a free admission to the 2020 VA4WDA Trail Ride, please hold onto it. It will be honored for the 2021 VA4WDA Trail Ride. We here at VA4WDA want to wish everyone well and look forward to seeing you next year.

Respectfully,  
Jesse L Schneirla  
VA4WDA President

# MPJAI Update

By Tony Koberstein, President  
Middle Peninsula Jeep Association

Middle Peninsula Jeep Association is a family-oriented and pet-friendly organization that is pushing forward as it has done for the past 20 years with over 1,000 followers and 65 active members. We are stronger now than ever before, and we continue to prosper together, making the best of the challenges we are all faced with lately.

During these trying times, we have worked hard at keeping each other close by maintaining our obligations and coming together during our weekly coffee runs and monthly Adopt-A-Spot clean up. We challenge ourselves to find new ways of keeping our club invigorated and optimistic. Our monthly club meetings have gone virtual and the weekly coffee runs have been spread out into mini mobile groups while maintaining social precautions. Our goal is to keep each of us in front, watching over each other.

Middle Peninsula Jeep association did have an awesome Father's Day wheeling trip to Rausch Creek. Our club member, Manny, led and gave an awesome opportunity for 14 Jeeps to get out for a 3threeday adventure with nature and enjoy some great challenging off-road trails for all Jeep levels/experience.

We also held a few small independent local trails runs sponsored by other beloved club members while staying within the regulations set forth and staying safe for everyone involved.

MPJAI is having great success with these adventures, and keeping our club members in a positive outlook and spirits soaring high by pushing forward through these times of difficulty. MPJAI hopes that all your families stay safe and see you all on trails very soon.
